

National Goat Roadshow

Barossa Valley

Thursday 26 September, 9.30am - 2.30pm

Stockwell Recreation Park, Duck Ponds Road, Stockwell

How can goats add value to your bottom line? The National Goat Roadshow focuses on improving on-farm practices and business management skills in the Australian goat industry, as well as profiling the range of new resources and tools produced by Meat & Livestock Australia.

Come along to find out more on:

- business management
- productivity gains with genetic selection
- goat producer case studies
- industry expert panel session

REGISTRATION IS ESSENTIAL:
